# RECITAL PARTICIPATION

## Who can perform in the **Recital**?

We want every dancer to feel prepared and proud on stage. Consistent attendance is key – especially in the final weeks. We encourage you to make every effort to have your child attend March, April, and May classes as consistently as possible to learn their routine.

This helps your dancer perform safely and confidently with the group, and it also shows respect for the instructor and other dancers by keeping choreography and learning on track at each practice.

## RECITAL CONTRACT AND FEE POLICY

To participate in the annual recital, a parent or guardian must sign the Recital Contract. This contract will be emailed directly to each family. A signed copy must be returned to the studio either by emailing the completed contract back to us or by leaving a printed, signed copy with Creative World. The contract must be signed by Sunday, February 1st for your dancer to be included in the recital. By signing the Recital Contract, you agree to pay the required recital fee. Please note that recital fees are non-refundable once the contract is signed.

The recital fee will be added to your account after the contract is submitted. Payment is due by February 25th. You may pay the fee manually at any time before the due date. If the recital fee has not been paid by February 25th, it will be processed automatically through the autopay method on file.
