HOLIDAY SHOWCASE BUSINESS ADS

HAIR & MAKEUP

Every dancer will need to wear stage makeup, **regardless of gender or age**. Stage lights are incredibly bright and will wash out facial features, making it hard to see your dancer's face from the audience if they haven't accentuated with makeup. Properly applied makeup will also ensure your dancer's face is visible in photos and videos.

In order to keep a uniform appearance for each dance number, and keep hair away from the students' faces, we have listed which hairstyles should be used.

Make-Up

For the stage, opt for a volumizing mascara to make eyes pop, a bold blush to add warmth and definition under the lights, and a vibrant lip color that complements the costume and adds a finishing touch to the overall look, ensuring every expression is amplified and radiant on stage.

Hair

To maintain a polished and uniform appearance on stage, all dancers are required to style their hair in a high bun (mid bun for gymnastics/dance classes). Hair should only be adorned with a hairpiece/bow that came with the costume.

Jewelry and Earrings

No jewelry (necklaces, rings, bracelets, hoops) for recital - only stud earrings allowed

Shoes // Tights

All dancers should wear convertible flesh-toned tights. Ballet and Ballet/Jazz classes should wear pink ballet shoes.

Always test makeup prior to dance recital week, to make sure your child doesn't have any sensitivities or allergies to the products you use!
